### 1. WE WON'T CRY

If your burden's too heavy  
Then it's gonna break you  
And you might go crashing  
To the ground  
Keep yourself steady  
And don't let it take you  
Take you on down  
Take you on down

#### Chorus

Oh, we won't cry  
We won't cry  
Oh, we will lift our spirits high  
Up to the sky

Well, I'm here beside you  
Don't you forget it  
I'm with you walking  
Down this road  
Give up what's inside you  
You won't regret it  
Together we can lighten this load

You did the same for me  
When I was in trouble  
I wanted to disappear out of sight  
You wouldn't let me  
You were so stubborn  
You brought me out of that dark night

### 2. LAY MY HEART

Build a fire, watch it burn  
This is what I yearn for  
Build the fire, watch it burn  
This is what I yearn for  
This is where I lay my heart

Plant a seed, watch it grow  
Quiet up the window  
Plant a seed, watch it grow  
Quiet up the window  
This is where I lay my heart

Vineyards bathed in autumn light  
Harvesters at midnight  
Vineyards bathed in autumn light  
Harvesters at midnight  
This is where I lay my heart

#### Chorus

This is where I lay my heart  
Is where I lay my heart  
Is where I lay my heart

### 3. BRING ME A LITTLE WATER SILVY

Bring it in a bucket Silvy  
Bring it in a bucket now  
Bring it in a bucket Silvy  
Every little once in a while

Silvy come a runnin'  
Bucket in my hand  
I will bring a little water  
Fast as I can

Can't you see me comin'  
Can't you see me now  
I will bring a little water  
Every little once in a while

#### Chorus

Bring me little water, Silvy  
Bring me little water now  
Bring me little water, Silvy  
Every little once in a while

## 4. COVER ME IN SUNSHINE

### Chorus

Cover me in sunshine  
Shower me with good times  
Tell me that the world's been spinning since the beginning  
And everything will be alright  
Cover me in sunshine

I've been dreaming of friendly faces  
I've got so much time to kill  
Just imagine people laughing  
I know some day we will  
And even if it's far away  
Get me through another day

From a distance all these mountains  
Are just some tiny hills  
Wildflowers, they keep living  
While they're just standing still  
I've been missing yesterday  
But what if there's a better place

## 5. YOU'RE THE VOICE

We have the chance to turn the pages over  
We can write what we wanna write  
We gotta make ends meet before we get  
much older  
Ooh, we're all someone's daughter  
We're all someone's son  
How long can we look at each other  
Down the barrel of a gun?

### Chorus

You're the voice, try and understand it  
Make a noise and make it clear  
Whoa, whoa  
We're not gonna sit in silence  
We're not gonna live with fear  
Whoa, whoa

This time we know we all can stand together  
With the power to be powerful  
Believing we can make it better  
Oh, we're all someone's daughter  
We're all someone's son  
How long can we look at each other  
Down the barrel of a gun?

Ooh, we're all someone's daughter  
We're all someone's son  
How long can we look at each other  
Down the barrel of a gun?
